

Westminster Communications 2017

Westminster Community Newsletter

We date the newsletters by the date the paper copies are due to arrive in homes. Electronic newsletters generally arrive in email inboxes the Monday before that Wednesday. The newsletter deadline is the end of the day on the Thursday before printing. Newsletters are published every other week and cover the two weeks following the date they arrive in homes. It helps to think at least a month ahead when submitting articles in order to allow yourself time to gather information, get approvals from committees, write articles, and submit any pictures or logos by the deadline for the newsletter in which you want your article to appear.
